

TEAM MANAGER MEETING MINUTES

MONDAY 27 MARCH 2023

Opening of the meeting 9;00

Alan Bell

Things went well yesterday; also thanks to the good cooperation of the athletes.

Questions:

Germany: provision of toilet paper? Slawek will see to it that it is solved today.

Switzerland call room times? It is planned on the number of entries (not on the number of competitors).

Not all fire exits were open at the opening ceremony? They should have been open, of course. Excuses for that.

USA: a list of athletes per country with bib numbers? Will be provided.

USA: deadline for picking up the packages for athletes? No, an athlete can confirm online and can f.e. pick up his package 5 minutes before his call room time.

Accreditation should be open at least 15 minutes before the first call room times.

Michael Serralta

Yesterday, the schedule was on time. There were 2 DQs and 1 protest.

In case of a protest, athletes should go to the ITO immediately.

The feedback was, that the athletes were happy.

Point of interest: water on the track at longer distances.

Questions:

USA: throwing implements at practicing hours: today javelins will be available from 17.00 -m 18.00.

Great Britain: comment on the decision of the jury: ITO will verify today.

Alan states that Judges come from different countries. Every country has its own protocol about the way to judge. As long as we are assured that the rules are applied and the procedures are correct.

Spikes and shoes are being measured by random controls in the call room.

Reminder about the uniforms of the athletes in the relays: uniforms of a team should be all the same, or similar (recognizable as a country).

Team Managers: please: use the right form to submit your questions. Forms are available at the TIC.

Sandy Pashkin:

Lane assignment of seeding is different indoors from outdoors; WMA uses WA rules.

Yesterday 3 world records were set (marked in red in the results).

In some age categories semi-finals are canceled today; they are taken out of the schedule for today.

Vesna Repic:

Race walk: today (indoors) 8 events for men, and tomorrow 4 events for women.

Margit Jungmann:

Award ceremonies are going well; by schedule. This afternoon at 16;16 there will be an award ceremony for the 'Best Master of the year'.

Gothenburg stand: clothing is just for show (not to buy, yet).

There will be the presentation of the Gothenburg team in tomorrow's team managers meeting.

Alan closes the meeting at 9;30.

Next Team Managers Meeting: Tuesday 28 March at 9;00 am

The minutes of the team managers' meeting will be published as soon as possible on the WMACI Torun website.
